

KS2 assessment data: Upload to the primary assessment gateway

20 Jun 2025

The deadline for primary schools to upload their teacher assessment data to the Primary Assessment Gateway is on Friday 27 June.

This is to ensure your school pupils have a complete KS2 attainment profile.

- All pupils will receive teacher assessments for Writing and Science.
- Pupils who did not sit examinations (below the test standard) will also need assessment levels for Reading and Maths (for the majority of pupils this will not be needed).
