

Safeguarding alert: Drug warning following death of two people from green pills

03 Jun 2025

School are asked to share this information with their school community: [Drug warning following deaths in Southall | Ealing Council](#)

Over the Bank Holiday weekend, two people were found dead in Southall, following attendance at a nightclub in South London on Saturday 24 May.

They are thought to have consumed green pills with an '80' on one face and possibly an 'OP' on the other.

This is a picture of the remaining pills which were seized by police

The green pills have been found to contain a potent synthetic opioid, Nitazenes. These compounds are dangerous because they can be 50 to 100 times stronger than heroin

If needed, please phone 101 for non-emergency and 999 for emergencies.

These are illegal drugs and must be managed in accordance with your schools safeguarding, behaviour and discipline policies.

If you need to make a referral please contact ECIRS or [telephone the consultation line](#).
