

Spoken Word Power - Application deadline extended to 19 July

17 Jun 2025

About Spoken Word Power project

Spoken Word Power is a fully funded project supporting primary, secondary and SEND schools in London boroughs to creatively champion the spoken word, nurture positive attitudes towards language and learning, and provide a platform for the vibrant voices of a new generation of young people.

The project makes language exciting, inclusive and fun, and **develops oracy, speaking & listening, writing skills and confidence** through inquiry-based, collaborative approaches, injecting joy into school life.

Have a Poet in Residence join your school next academic year to take you and your students on a creative journey from idea generation and discussion, to writing, editing and performing on a **West End stage**. Led by **professional poets and rappers**, this project **engages students using creativity** and provides all participating teachers with high-quality CPD sessions and resources.
