

## Help us monitor and improve our recruitment process

24 Jul 2025

Is your school using a separate application form to fill a vacancy?

If so, please could you add this sentence at the end of your application form to assist with monitoring recruitment?

The applicant will be taken to a short survey asking them:

- how they found out about the vacancy
- what the job title of the post they are applying for and
- the name of the school where the vacancy is.

### Add this short survey to your school application form

Here is the sentence you can add to your application form:

---

**Advertising monitoring** To help us improve our recruitment process, please complete this short monitoring form: <https://forms.office.com/e/sFP5wxhmC3>  
You will be taken to a Microsoft online form.

If your vacancy is being advertised on a website, please do ask the provider to add the sentence.

The survey had already been added to Ealling's application form, including the two-part version.
