

## Health related behaviour survey 2025 briefing

29 Aug 2025

Join the upcoming [HRBS 2025 briefing](#) to equip you with the tools to deliver the survey smoothly and effectively in your school.

This session will:

- Take you through the full process from registration to delivery
- Cover systems, logistics, and practical steps for smooth implementation
- Help you avoid common pitfalls and ensure accurate, high-quality data collection
- Show you how to maximise the value of survey results for your school's wellbeing strategy

By attending, you'll be well-prepared to lead the HRBS in your school and ensure pupils' voices are captured clearly and meaningfully.

### Register and nominate your HRBS lead

To take part, the headteacher must complete a short one-off registration [online form](#).. As part of this process, they will nominate an HRBS lead – this should be you if you are signing up to attend the briefing. **If your school has not registered please ask your head teacher to complete this first.**

Once registered, all future communication from the Schools Health Education Unit (SHEU) will go directly to the nominated HRBS lead, with no further action required from the headteacher.

Book your place now via [Ealing CPD online](#).
