

## Above and Beyond Award – Victoria Cross and George Cross Association for Year 6 teachers

26 Sep 2025

### For the attention of: Year 6 teachers (primary phase, Ealing)

The **Victoria Cross and George Cross Association** (the membership society for living holders of the nation's highest awards for courage and gallantry) is inviting primary schools to take part in their **Above and Beyond Award programme**.

This is a three-lesson offer, delivered across the school year (one lesson each term), designed to support pupils' character development while learning about the extraordinary stories of Victoria Cross and George Cross recipients – including some with close links to schools and communities in Ealing.

The programme has been successfully piloted in Southwark schools, with lesson plans, curriculum links and testimonies available on [Victoria Cross and George Cross Association – Educational Work](#)
