

Children missing out on education reminder

03 Sep 2025

Schools are reminded to update Children Missing Out on Education (CMOE) plans for all pupils who were:

- on reduced timetables
- accessing distance learning from home (e.g. Academy 21, EdClass)
- attending an alternative provision alongside their main provision last year

Plans must be updated at least every six weeks.

If a pupil's plan has ended, please notify us via [Gateway](#).

If you are implementing new plans for any pupils, please ensure a new notification form is completed straight away.

For guidance on reduced timetables, alternative provision and completing Gateway forms, visit [Children missing out on education \(CMOE\) | Ealing Grid for Learning](#)
