

## Ealing AI strategy group meeting

27 Sep 2025

### Next Ealing AI strategy group meeting

This session is for hub leads and will focus solely on the AI alliance research project and how the hubs will be run. Hosted online on Tuesday 30 September, 2 – 3:30pm

Video call link: <https://meet.google.com/joa-rojs-dpk>

We understand this clashes with another meeting. Notes will be shared of this meeting.

### Where we are

We have had 31 colleagues in 28 settings sign up for the AI Alliance Research Project from special schools, primary and secondary to drive powerful research.

We have 12 research hub co-leads

### AI alliance research

Research strands co-led by 12 school colleagues:

1. Curriculum, AI fluency & digital citizenship
2. Curriculum, AI Fluency & digital citizenship
3. Inclusion, SEND and vulnerable learners
4. Leadership and school business
5. Assessment, feedback and personalisation

## Other AI activity

### AI network meetings

21 Oct, 4 Feb, 17 June (at EEC at 1pm)

For all senior leaders, AI leads, champions and enthusiasts to receive updates regarding AI updates locally and nationally. You do not need to be in a research hub to attend these. Sign up here: <https://www.ealingcpd.org.uk/Page/42677>

### AI strategy group

30 Sept, 2 Dec, 10 March (Online at 2pm - link sent prior to meeting)

To be a check-in point for research hubs providing support and challenge through discussion. An opportunity to share school AI practice and journeys and have an AI sounding board! This is for colleagues taking part in the research hubs only.

There was discussion in the summer regarding other AI projects - all other projects will be postponed so that sole focus can be on the Research Hubs.

### AI alliance research project

The 5 research hubs will have their own meetings throughout the year. Hubs will discuss their journey at AI strategy group meetings and present on developments at AI network meetings. Therefore, at least two (hopefully all!) representatives from each research hub should attend AI strategy group meetings and AI network meetings.

If you're interested in joining or would like more information, please email: Hannah Widdison, EAL AI Strategy Lead by email at [headteacher@stanhope.ealing.sch.uk](mailto:headteacher@stanhope.ealing.sch.uk)
