

Flexi schooling

Information for headteachers to disseminate to governors, parents and carers.

There is no explicit guidance on flexi-schooling. The following information is taken from guidance papers where flexi-schooling is referenced.

These include [elective home education guidance \(2024\)](#) and [school admissions code \(2014\)](#).

The guidance explains what flexi-schooling is, parents' duties regarding education, how a request for flexi-schooling could be made, what parents, carers, Headteachers and governors need to consider and how an agreement could be drawn up.

It provides guidance for what happens if flexi-schooling is not working out and sources for further information.
