Ealing early years quality partnership

We provide expert practical support for Ealing's early years registered childcare providers and schools. We create a collaborative partnership with our providers and to work together towards the shared goals of improving quality of life and outcomes.

Whether you're just starting out, or if you are an established childminder, private day nursery, preschool or nursery / reception class, we value your contribution to highly inspirational early years provision within the London Borough of Ealing.

As part of our offers, there are opportunities for:

- visits
- consultancy input
- training (e-learning, face to face, hybrid)
- leadership networks
- leadership programmes
- annual conferences and summits
- statutory and specialist training.
