Early years foundation stage profile (EYFSP)

Schools must complete the EYFSP for reception pupils and report results to the local authority by **Friday, 28 June 2019**. In order that we can quality assure the judgements we are asking schools to submit their data from **24 June 2019**.

This handbook supports practitioners in making accurate judgements about each child's attainment

[EYFSP ARA 2019 \(GOV.UK\)](#)

Details the statutory requirements for the EYFS profile assessment and reporting for 2018/19

[Early years foundation stage profile exemplification materials \(GOV.UK\)](#)

The materials may be referred to if guidance is required for the levels of learning and development expected at the end of the EYFS.

[Reception Baseline key dates\(GOV.UK\)](#)

This includes the trial and pilot phases and the first two years of statutory delivery:

- September 2018 - Trialling in a nationally representative selection of schools
- September 2019 - Large scale voluntary pilot
- September 2020- National roll-out
- September 2023 - Key stage one assessment becomes non-statutory
- September 2027 - First progress scores published
