
Circle - Crisis intervention for children and young people

Circle is a hub space and café that offers support for young people in Ealing and Hounslow who are near, or at crisis point with their mental health. A mental health crisis is when you feel at breaking point and need urgent help.

Aims

- To reduce the number of young people going to A&E for mental health where they may not be able to receive specialised care
- To provide a safe space where clinically trained staff can help young people in a mentally overwhelmed state to lower their heightened level of distress, preventing them from going into a crisis state requiring emergency intervention or support at a hospital
- To provide a space where young people and parents can be supported and guided to access appropriate services

The service is run by Mind – Hammersmith, Fulham, Ealing and Hounslow
