

Ealing primary centre outreach service referrals

The Ealing primary centre outreach service works with schools to improve outcomes for children identified as having behavioural, emotional and/or social difficulties (BESD).

Referrals to the primary centre outreach service are made by schools, with parental agreement.

A referral panel made up of headteachers and LA partners will meet six weekly to consider appropriate assessment and intervention.

Referral process, criteria and referral form are available on [Ealing primary centre referrals](#)
