

## Private tutor

We ask schools to publish the [leaflet for parents employing private tutors](#) (pdf) on their website and to print and distribute.

### Why do parents need to see this?

If parents are thinking of getting a tutor for their child this leaflet gives you some important information.

It explains how they can go about choosing a tutor who is properly trained and approved.

The information also applies if they plan to send their child to a tutor group or centre.

It is for parents of children who attend school.
