Anti-Bullying Week 2018

The theme for Anti-Bullying Week 2018 is ‘Choose Respect’. Anti-Bullying Week runs from 12-16 November 2018. The aims of this week are to support schools and other settings to help children and young people, school staff, parents and other professionals who work with children to understand:

- The definition of respect
- That bullying is a behaviour choice
- That we can respectfully disagree with each other i.e. we don't have to be best friends or always agree with each other but we do have to respect each other
- That we all need to choose to respect each other both face to face and online.

The Anti-Bullying Alliance, with the continued support of SafeToNet, will be developing a set of free cross-curricular teaching resources to support both primary and secondary schools to embrace the theme of respect.
