
Ealing junior travel ambassador (JTA) annual programme

Programme for 2019/20

JTAs are a pupil council that specialise in promoting active and sustainable travel as well as road safety. They are usually comprised of year 5 and 6 pupils but can be other year groups. Pupils get together on a regular basis with a staff lead to discuss ways they can promote and encourage active and sustainable travel and plan and deliver activities they can run themselves.

JTA programme

We have a programme of activities to support JTAs in schools.

This includes ideas for events, competitions, bulletins to read in assemblies, awards and other free resources.

How to recruit your new JTAs

Whether JTAs are new to your school or you are simply recruiting new JTAs for the next academic year, here is a useful PowerPoint and application form to make the whole process simpler.

Once recruited, please register them: see the next section below. Please note: the application form is a PDF - simply save it then open it in Word to be able to edit.

Register your JTAs

If you have any kind of pupil council that promote road safety and active travel, please [register them here](#) (Wufoo.com). Registering your JTAs allows the School Travel Team to provide support!

JTA guidance

JTA assembly scripts

Download assembly scripts (pdfs) for the JTAs to read out in assemblies – there is one for every month of the school calendar (September 2019 to August 2020):

JTA spring video competition 2020

This is a competition for your JTAs to get their teeth stuck into. You just may have a budding film maker in your midst.

The [spring video competition guide](#) (pdf) has all the information JTAs will need to know to make the perfect video, along with clips from last years winners. Please do note that we will use the winning video in upcoming promotional material and it will be put onto the Ealing Council You Tube Channel so **film and photo permissions are vital for this project**. We also show all the videos during our JTA Fun and Award Days.

[Health Fair game](#) (pdf)

We have produced this downloadable game for schools to give to Junior Travel Ambassadors (JTAs) to use during their health fairs. It's a great way to engage families with the idea of active travel!
