Step funding

Short Term Exceptional Provision (STEP) funding is available for pupils with complex needs:

[Step funding information and application form](#)

This could be for new pupils with complex, long term needs or for a sudden and significant escalation of need, widening the criteria to include these pupils. Head Teachers are now asked to countersign requests, to ensure that requests meet the school based criteria around resources.

Training on children missing out on education - CMOE

Your attendance team now needs to use Gateway to report on part time timetables and alternative provision.

They may ask you for support where this relates to a child with SEN, including children with medical needs and those in reception not yet taking up full time places. [Training](#) may be of interest to SENCOs and is taking place throughout the year.

Did you Know?

National: 87,000 more learners were identified with SEN in 22/23 compared to 21/22.

SEN Bulletin asked the Ealing data team for information about Requests for Statutory Assessment:

Nursery 2 children had the highest agreement rate at 69% with 15% still in process

Reception children agreement rate was 51% with 20% still in process.

34 requests or health notifications were received for pupils of nursery 1 age. Just one proceeded to statutory assessment at this stage.

Data from Jan to September 2023 for children in EYFS.
