

SEND bulletin 18 November

Ealing speech and language therapy team on Youtube

Take a look at their [YouTube channel](#) for:

- Workshops: including understanding autism, shy, quiet and anxious talkers and supporting children who stammer
- Awareness content, giving quick facts and strategies for children who have selective mutism and developmental language disorder
- School assembly presentation on selective mutism.

We hope you enjoy watching and please do share with families and practitioners who you think might be interested. Watch this space for more upcoming content!

Children with SEND and COVID-19 study

The impact of the COVID-19 pandemic on the education, health and social care provision for children with SEND:

- [Rapid review](#)
- [Evidence briefing](#)

Introduction to attachment workshop for school leaders

This session aims to support and improve delegates' knowledge and understanding of early attachment development. The making of secure and insecure attachments will be explored, and the trainer will demonstrate how early attachment experiences influence later learning and behaviour. Strategies and approaches to support children's attachment needs in the classroom will be shared. [Book a place.](#)

Ofsted and inclusion workshop for SENCOs

This workshop will provide SENCOs with information regarding the inclusion aspects of the Ofsted framework. SENCOs who have been through the process recently, will share their experiences in this session. [Book a place.](#)

How administrators/ receptionists can support parents of children with additional needs

The school office is often the first place of contact for a parent seeking support and advice for their family or child with additional needs. In this session we will make you aware of the services and support available for families so that you are able to share this information and offer help immediately. We will discuss challenges and reflect on best practice within your role to welcome and support parents. [Book a place.](#)

Primary behaviour leads network

This network will provide an opportunity for primary behaviour leads to share good practice and discuss current challenges. During the session you will also receive updates on services and support available and training on aspects of behaviour management. [Book a place.](#)

EYFS leaders – Further developing inclusive practice in EYFS

This workshop will provide an opportunity to reflect on inclusive practice in your school. We will share best practice, discuss challenges, and problem-solve together. [Book a place.](#)

Primary subject leaders workshop on inclusive practice

This workshop will provide an opportunity for you to reflect on inclusive QFT practice within your subject. You will have a chance to share good practice and identify your next steps in ensuring your subject area is meeting the needs of all children. If possible, please attend the workshop with another subject leader from your school so you can discuss practice together and ensure plans for developing practice are aligned. [Book a place.](#)

Secondary year group leaders workshop on inclusive practice

This workshop will provide an opportunity for you to reflect on inclusive practice within your year group. You will have a chance to share good practice and identify your next steps in ensuring the CYP in your year group are having their needs met. If possible, please attend the workshop with another subject leader from your school so you can discuss practice together and ensure plans for developing practice are aligned.
