More detailed information:

All professional referrals and self-referrals in Ealing for both urgent and non-urgent cases, including for families wishing to self-refer to SAFE 0-18 are referred via ECIRS.

If at any time you become concerned that a child has been harmed or is at risk of harm, call ECIRS immediately on 020 8825 8000 (24 hours for emergency calls).

When you first calls ECIRS you will speak to a business support officer who will get an overview of the enquiry.

In the case of a safeguarding referral, you have the opportunity to speak to a social worker who will note the concerns and advise the next steps.

You must complete an 'early help assessment and plan (EHAP) form (see related content).
