Multi-academy trusts (MATs)

MATs within ELP can access support for their whole trust, central team, governance professionals / clerks and local academy committees, including Gold Advice, Welcome to Governance Live virtual induction sessions, and induction handbooks. MAT membership is offered on a sliding scale based on the total number of schools in the trust. Effectively NGA require the trust board to purchase gold membership and the trust's schools within the MAT to take standard or gold membership.
