

This service is available for Academies, Maintained schools and Other schools and settings

Description:

SAFE parenting service provides support for parents who are experiencing difficulties with their children. These problems may be to do with school, family relationships or anything else that is making things hard to cope with.

Year Academic year 2024/25

Benefits

Experience of partnership working within Ealing schools and other professional, volunteer and local authority services.

Office hours:

Monday to Friday, 9am to 5pm.

Planned improvements:

Ongoing process of continued service improvement.

Service directors:

Robert South

More detailed information:

We work with parents whose children might be experiencing a number of difficulties including aggression, challenging behaviour, difficulties managing feelings, not listening to requests and problems at school and in the community.

Intervention and support usually involves an initial assessment followed by individual or evidenced based group work parenting programmes.

Please download the parenting service MDI below to find out what we do to help, how the service works, target group and referral criteria, referral forms and parenting programmes.

Provider:

Children and families
