Benefits

Workshops and tours

We offer a new range of onsite, outreach and online workshops and tours for schools. Our programme focuses on a broad range of topics including Art and Design, Design & Technology, and History, with a special focus on contemporary art and architecture.

Our school workshops are designed to provide a flexible framework for schools to interact with various elements of Pitzhanger Manor & Gallery, meaning there's something new to see with each visit! Our workshops can be tailored to meet your age group, learning objectives, and the needs of your students. Whether you want a workshop focused on the architectural elements of the manor, the artwork on display in the gallery, or the history of the manor and the surrounding area, including the life of Sir John Soane, there's a workshop for you!

For a full list of workshops and for more information please visit our [website](http://www.pitzhanger.org.uk) or contact us at learning@pitzhanger.org.uk.
