
This service is available for Academies, Maintained schools and Other schools and settings

Description:

Professional advice available to schools on asset management, budget planning, procurement of works, maintenance and minor capital works programming.

Year Financial year 2021/22

Benefits

- Professional advice available to schools from a dedicated support surveyor with wider access to the specialist professionals within the Council's in-house design and project management delivery unit
- Termly visits with the head teacher or the school's representative
- Advice on the school's budgetary management control systems related to building maintenance
- Assistance with the development of long term strategic asset management plans including forward maintenance plans and devolved minor capital plans
- Provision of a general overview of works carried out by the school, advising on appropriate procurement routes and value for money
- Support on compliance best practice.

Additional visits and further support service details are available via the service contacts below.

Office hours:

Monday to Friday, 9am to 5pm.

Planned improvements:

Ongoing process of continued service improvement based on specific customer feedback.

Service directors:

Tamara Quinn
