

# Ealing Education Centre

## The centre offers

- ◆ six well equipped training rooms suitable for training, meetings, conferences and interviews
- ◆ a networked computer suite with LED touch screen
- ◆ all rooms have internet access, WiFi, PC and multimedia projector, whiteboard and flipchart
- ◆ interactive whiteboards in five training rooms
- ◆ additional equipment to support events on request.

Events are supported by reception and message taking service.

Refreshments are always available.

Reprographics and other services are available to support the smooth running of events.
