

Classroom Behaviour Management Training

Calling all primary teachers! Learn new skills, understand what works and why, and have open and frank discussions to explore how we can overcome some of the most difficult situations in our classrooms. The course offers five 2-hours sessions across the year.

What's on the course

1. Setting expectations
2. Why what we say matters
3. How actions make a difference
4. Building positive relationships
5. Managing difference and planning for September

When and where

Session 1 – 06.12.23

Session 2 – 24.01.24
