Provision: <ul style="list-style-type: none"> • Following on from the Invest intervention, if it is recommended, ongoing clinical psychologist intervention may be purchased in 12 week blocks
Timescale: 12 week intervention
Cost: £2,400

General Support

Specialist Teacher

Provision:

A range of support activities can be provided by the specialist teacher, as negotiated with the school

Timescale:

½ or 1 day

Cost:

½ day: £240

1 day: £400

Credit System

- Schools start the year with an amount of 'credit' that they can use, depending on their pupil numbers
- Any school requiring additional service above their credit can buy it in. For example, this would be an appropriate use, for a child with SEMH needs, of the £6,000 SEN support fund that schools are notionally delegated

Credit amounts based on school size:

Credit amounts	
Number on roll (rec – Yr 6)	Credit
Academy/Free	£0
195+	£1,500
380+	£3,000
570+	£4,500
760+	£6,000

Separately to the above, the commissioning of clinical psychology support will also be available. This will be a commissioned service and is not part of the outreach offer. Schools will **not** be able to use their 'credit' to part purchase this option.

Commissioned Services: Clinical Psychology in Schools			
Option	Staffing	Cost	What will be available to schools
1	5 hrs a week (delivered on 1 day) of Clinical Psychology support over 33 weeks	£13,200	<ul style="list-style-type: none"> • Individual assessment and professional report writing • Evidence based therapeutic work children, parents and families • Parenting groups • Consultation to staff • Supervision/support to staff • Training
2	7 hrs a week (delivered on 1 day) of Clinical Psychology support over 33 weeks	£16,500	<ul style="list-style-type: none"> • As above
