

Updates to Health and ESCAN services

Health Visiting and Early Start

Ealing Health Visiting and School Nursing Service	For children and families requiring support from their health visiting or school nursing services, CLCH are now offering a 7 day a week duty line.	<p>Tel: 020 8102 5888 Email Clcht.ealingadminhub@nhs.net</p> <p>Full details can be found on the website https://clch.nhs.uk/services/health-visiting and https://clch.nhs.uk/services/school-nursing</p>
Specialist Health Services <i>All teams continue to contact the families on their caseload. A limited number of face to face contacts continue to be offered where this is considered to be an essential health need e.g. Dysphagia (SLT), Physiotherapy, CDT and LAC appointments.</i>		
Child Development Team	Most contacts are being delivered via telephone or video link, although essential appointments are being delivered face to face.	<p>Tel 020 8825 8716/ 020 8825 8712/ 020 8825 5819 Email wlm-tr.escancdt@nhs.net</p>
Speech & Language Therapy (SLT) Occupational Therapy (OT) Paediatric Physiotherapy	The SLT, OT, and Physio Therapy services continue to support children through a combination of phone calls and telehealth. Programmes, advice and therapy resources are also being sent home to families. Staff continue to support annual reviews that have been taking place over this time. Additionally, teams have developed resources and training materials to be used in settings in discussion with teaching staff.	<p>SLT – Tel 020 8825 8856 email wlm-tr.ealingpaedssltreferrals@nhs.net</p> <p>Occupational Therapy – Tel 020 8825 8768 Email wlm-tr.ealingpaedot@nhs.net</p> <p>Paediatric Physio – Tel 020 8825 8702 email paedphysioreferrals@nhs.net</p>
Ealing LAC Team	Continues to complete health reviews and assessment to LAC either via telephone, video link, or face to face, when necessary.	<p>Tel 0208 825 5816 Email wlm-tr.lac.ecp@nhs.net</p>
Children’s Community Nursing Team and Continuing Care Team	Available to support families and assist in supporting keeping children at home. This is a referral-based service and supports earlier discharge and admission avoidance where clinically safe.	<p>Tel: 07548 141 805 Email wlm-tr.paedspecialistcommunitynursingealing@nhs.net</p>
Special School Nursing Team	The team continue to operate through their designated schools. The team also works closely with the Children’s Community Nurses and other disciplines within the Community Paediatric Services and Therapy teams based at Carmelita House, in order to provide health care to children and young people who require specialist nursing care during school hours.	<p>Tel: 020 8825 8700 Email wlm.tr.specialschoolnurses@nhs.net.</p>

Updated May 2020

Education- Special Educational Needs and Inclusion		
Education, Health & Care (EHC) Needs Assessment	<p>SENAS (Special Educational Needs Assessment Service) will continue to operate to ensure that parents/carers and young people remain informed of any changes.</p> <ul style="list-style-type: none"> • Whenever possible, the EHC Coordinators will continue to attend meetings. Where face-face meetings are not viable, EHC Coordinators or the line manager will take part in virtual meetings via Skype. • Electronic queries will continue to be addressed via email and calls. Please do not send queries, requests or documents by post as this may result in delay. <p>Data:</p> <p>There are currently 269 ongoing assessments. Since 23rd March (Lockdown date), 84% of Plans have been issued on time. Currently, 161 assessments are on the 'gathering advice' stage; 20 are currently being drafted, 2 are on track to be finalised this week; 35 have been agreed to be issued as drafts; 11 are on consultation stage, 38 are waiting a decision to assess/not assess; 2 are waiting for additional information to be submitted as part of request for assessment.</p>	<p>Tel: 020 8825 6910</p> <p>Email (for generic queries) : SENAS@ealing.gov.uk (for requests): ERSA@ealing.gov.uk</p> <p>Guidance can be found on EGFL</p> <p>https://www.egfl.org.uk/services-children/special-educational-needs-and-disabilities-send-and-inclusion/coronavirus-covid-19</p>
Educational Psychology	<ul style="list-style-type: none"> • EPs will contact schools to arrange the termly SEN planning meeting • Telephone meetings with parents and school staff will replace face to face meetings whenever possible • Where a face to face meeting with a parent or member of school staff, or where assessment with a child or young person is necessary, these will be undertaken in accordance with Public Health advice • The opportunities for educational psychologists (and other advice providers) to collect information for assessment will be severely curtailed. However, EPs will be able to 	<p>Tel: 020 8825 5050/ 8775 Email: EPSAdmin@ealing.gov.uk</p> <p>Full info can be found on Education Psychology on EGFL</p> <p>https://www.egfl.org.uk/news/2020/03/educational-psychology-service-covid-19-update</p>

Updated May 2020

Updates to Health and ESCAN services

	<p>provide reports and recommendations based on an analysis of previous knowledge (where they have it) and on more up to date information gathered from families, professionals who know the children and young people (CYP) and possibly the CYP themselves via use of a range of ICT. The reports may well include caveats to indicate that the assessments and therefore the recommendations are limited in scope and that further involvement by EPs will be required (preferably before the first annual review of any EHC Plan that is produced).</p> <ul style="list-style-type: none"> • The EPS will be able to offer a telephone consultation service to parents/carers and school staff on referral from the school SENCo/Inclusion Lead, where it is felt this would be helpful. EPs are able to offer “virtual surgeries” for consultations, strategies and interventions on a range of issues including, learning needs, behaviour management and social and emotional wellbeing. This offer can be met from within the existing school allocation. 	
<p>Sensory Impairment Service (SENS)</p>	<p>Advised to cancel all nonessential visits to schools, settings and parental homes until further notice. SENS staff are working hand in hand with schools to ensure they have any accessible learning resources that can also be shared with families for remote learning.</p> <p>We remain contactable over the coming weeks during term time via email or a phone.</p>	<p>Tel: 020 8825 8757 Email: SENS@ealing.gov.uk</p>
<p>SEN Travel Assistance</p>	<p>Travel assistance is being offered to young people with EHCP’s/those identified as vulnerable and needing to attend school. Social distancing applies on transport (routes have been split/larger vehicles have been provided to ensure social distancing. PA’s and driver have been provided with all relevant PPE. If service users display any symptoms they will not be transported. If service users show signs of symptoms within the school day parents will be required to take them home. Personal transport budgets are continuing for vulnerable families. For families who are not vulnerable and who’s children are not attending PTB is being paused. All families are being contacted through phone calls.</p> <p>Data on delivery: All schools with Ealing SEN students have been contacted. All children receiving PTB have been contacted. All routes have been reviewed. SENTA team have weekly team meetings.</p> <p>Transport team have weekly meetings with transport providers and are liaising regularly with schools.</p>	<p>SEN transport</p> <p>Tel: 020 8825 5544</p> <p>Email sent-transport@ealing.gov.uk</p> <p>Mon-Fri 07:00 – 17:00.</p> <p>SEN travel assessment team (new requests)</p> <p>Tel: 020 8825 8033</p>

Updated May 2020
