

# Services for schools 2021/22

*Directory of services for Ealing schools*

# Welcome

This brochure signposts you to detailed information about all Ealing services available to schools, how they can be accessed and who to contact with queries.

As well as the services which are available to schools with no additional charge, the brochure also highlights those which can be purchased on a pay as you go basis or annually via the online order form which has now launched for 2021-22 services.

The deadline this year for submitting your orders for all services is 31 March 2021.

It is wonderful that nearly all Ealing schools (90%) have signed up to Ealing Learning Partnership 2021/23 and the council has renewed its financial commitment to ELP.

This enables us, together, to build on the great work to date towards a collaborative, school-led, self-improving system and achieve our ambitious collective aims and priorities for children and young people.

Immediate advantages to schools include the infrastructure and framework for: capacity building of leaders and teachers, streamlined communication and processes; economies of scale; generation of grant funds; greater school influence on council services; and the availability of additional, local, high quality traded school improvement services (p7).

We look forward to receiving your order forms by 31 March and to working with you in the year ahead and to our exceptional collaborative working through the Ealing Learning Partnership.

## Purchasing services for 2021/22

Ealing's services for schools online order form is available for purchasing 2021/22 services. Headteachers and nominated buyers can review service information and place orders.

You can find information about services for schools on the Ealing Grid for Learning (EGfL) in five categories:

ELP services	Facilities	Finance and data	Human resources	Services for children
--------------	------------	------------------	-----------------	-----------------------

The lists of services within each of these categories are located on the right hand side and have direct links to the service detail web pages.

Each individual service gives key information and an overview that applies to all relevant schools.

### Further details and costs

You may need to log in to see further details about services including prices where applicable. Use your EGfL username and password. These icons indicate how the service is available to you:

No additional cost to schools

Pay as you go service

Ealing Learning Partnership subscription

Other arrangements

**Annual buyback** using order form, **submit by 31 March 2021.**

If a service is provided by a contractor and if a service commitment is for more than one year, it will be stated in the service description. Service contacts listed in the service pages are happy to discuss bespoke requirements.

## Online order form for annual buy back

Each headteacher and nominated buyer has access to the online order form using their EGfL user account.

Log in to EGfL to use the **school order history** tab to view the annual buyback services you purchased in previous years at [www.egfl.org.uk/order-history](http://www.egfl.org.uk/order-history)

Work through the form saving and editing as many times as you need to before the deadline. **Save the order form before you submit it.** Annual buyback services will be listed on your order form with the prices specific to your school and must be ordered by **31 March 2021.**

Once submitted you cannot access the order form to make changes. You will receive an automated email which lists and confirms your order. You can also log in during the year to view your order under the order history tab.

We will process your order in April. We will be in touch about 'price on application' items or if we have any questions. We will confirm your final decisions and the costs and issue invoices in the summer term.

You will get services at the appropriate rates and period detailed in the individual service descriptions. If you ordered bespoke services, colleagues will contact you to clarify your specific needs.

# Changes

## Ealing Learning Partnership services

90% of schools have signed up to the partnership for 2021/23. This commitment enables a significant contribution from Ealing Council to support the partnership and provide joint-funded and co-led core services for ELP schools.

All arrangements are described in the ELP offer brochure as well as ongoing developments which are shared at [www.egfl.org.uk/elp](http://www.egfl.org.uk/elp).

Schools can continue to purchase support and **ELP LA school improvement traded services** through annual buyback using the order form or as PAYG. ELP schools will receive preferential rates.

## Service changes for 2021/22

### New services

**PHSE package 2021/22** from health improvement team

**Reed education supply staff 2021/22**

Free for ELP members

**GovernorHub additional services 2021/22**

ELP members only

**National Governance Association (NGA) membership 2021/22**

ELP members only

**RE Today for Ealing agreed syllabus 2021/22**

Delivering the Ealing agreed syllabus: Believing behaving and belonging until 2025

## Deadline

Your decision to purchase an annual buyback service should be made by **31 March 2021** using the order form through EGfL.

The timescale for making purchasing decisions is critical to our planning and service availability with continuing pressures on all council funding and the Ealing Learning Partnership business model.

Completing your online order form by the deadline will enable us to manage our resources effectively so we can continue to provide excellent services at great value for money.

Given the time involved in making changes to services, there is a basic minimum requirement of one year's notice to cancel a traded service or one term before the end of the contract period for certain services.

Please see specific service information for variations on this.

By subscribing to ELP in December 2020 schools have committed to a two-year partnership 2021-23. Each year will be invoiced separately as part of the services for schools annual order form and invoice.

There will be no option to cancel subscription during the two-year period as the partnership infrastructure and activities are planned and resourced based on the total number of schools subscribing in December 2020.

## Ealing services for schools can be accessed in the following ways:

Free of charge **FOC**, Pay as you go **PAYG**, Ealing SLA annual buyback **ABB**, other arrangement **OA**

Ealing learning partnership subscription **ELP**

•	•			Supportive action for families in Ealing (SAFE)
•				Virtual school for looked after children and care leavers
			•	Willow Tree school sport partnership
•				Youth offending service
•				Youth service

# General terms and conditions

Ealing services for schools are supported by our general terms. Additional and specific T&Cs for individual services can be found in the service pages for those services.

## Availability of the service

You will find this information on the individual service pages.

## Cancellation

Where schools sign up for a one-year service there may be no right of cancellation within that year. For other arrangements, schools are required to give a minimum of one school term's notice if they no longer want to receive a buyback service that they have signed up for.

Where it is possible to cancel within the year agreed, as an example, if a service is no longer required from April, notice must be given to the service provider in writing by the end of the previous autumn term (December), otherwise it will automatically continue to the end of August.

Administration charges may be applied for cancellation mid-year and deducted from any pro-rata refund where it is applicable.

Some individual services have no right to cancellation as they match specific council contracts and schools will have had to commit to those for the period of the contract.

Also see individual service pages for terms relating to specific services.

## Complaints and disputes

If a school is dissatisfied with the service provided, the school should initially liaise with the nominated service contact. Contact details are on the relevant service web page.

If the outcome of the initial investigation is unsatisfactory or a dispute arises, schools can escalate concerns to the service manager. If concerns are still not addressed then progress them to the assistant director/director of the service, then to the director/executive director. If the outcome is unsatisfactory the school can refer their concerns to the council's chief executive.

## Disclosure & barring service checks

All council staff that work with schools and young and vulnerable people have been subjected to an enhanced check. If a check is pending, a risk assessment will be completed by the service head.

## Identity badges

When visiting schools council staff will carry a photo identity badge.

## Payment of invoices

Payment is required within 30 calendar days of issue of the invoice.

## Quality assurance

We provide a high quality, timely and cost-effective service to schools and meet the standards of customer care described in service details. Quality is monitored by feedback sought from schools through regular contact with headteachers and service users, through headteacher consultative and network groups and service self-evaluation.

Any perceived failure in the service should be drawn to the attention of the service provider who will carry out an investigation and offer an explanation and ensure prompt remedial action is taken where appropriate.

## Email and correspondence

Emails will be acknowledged within 24 hours, Monday to Friday. We will respond within five working days: complex enquiries within 10 working days. If we need more time, we will let you know and keep you posted. Also refer to individual service detail for specific quality standards.

## School commitment

To enable the service to be efficient, effective, and responsive, the school undertakes to provide required information in a timely manner and comply with any deadline set by the service provider.

## Academies and schools other than Ealing maintained schools

There may be separate service agreements and contracts applicable to academies for certain services. See specific service details.

## Headcount

Staff headcount is based on iTrent data from the January census.

## Frequently asked questions

Commonly asked questions related to the services we offer, and the order process are outlined below. If you have a service specific question, get in touch with the named service contact on EGfL.

1. What do I need to do after receiving this brochure and by when?
2. I have forgotten my password for my EGfL user account
3. Who do I contact if I have a query about the ordering process?
4. Who do I contact if I have a query about a service?
5. What are core, pay as you go and annual buyback services?
6. How do I know what the cost of a service will be to my school?
7. Where are the terms and conditions of the service?
8. Where can I get a paper copy of the brochure and order form?
9. Where can I find the services I am committed to?
10. Can I submit the order form only online?
11. How will I know my order form has been successfully submitted?
12. What if I need to change my submitted order form?
13. My headteacher is absent; I need to access the order form?
14. Why can I see the brochure but not the order form?
15. Why have the prices of a service changed?
16. When will the service I ordered start?
17. What if I miss the 31 March 2021 deadline?
18. Why can't I find a service I purchased last year?
19. Where is last year's services information (2020/21)?
20. If I have a complaint about a service who should I contact?
21. Where are last year's order details (2020/21)?
22. Where are this year's order details (2021/22)?

# Frequently asked questions

## 1. What do I need to do after receiving this brochure and by when?

Read about the services on EGfL particularly services where you must make a purchasing decision by **31 March 2021**. These can be identified by the annual buyback icon. Headteachers and nominated buyers can complete and submit the online order form.

## 2. I have forgotten my password for my user account.

Go to the EGfL website and select **Log in**. Go to the **reset password** tab and enter your email address to reset your password. [www.egfl.org.uk/user](http://www.egfl.org.uk/user)

## 3. Who do I contact if I have a query about the ordering process?

Send us an email at [servicesforschools@ealing.gov.uk](mailto:servicesforschools@ealing.gov.uk)

## 4. Who do I contact if I have a query about a service?

**Contact details are on individual service web pages.** To email the service manager, select their email address. An email will be created that includes the title of the service automatically in the subject line.

## 5. What are core, pay as you go and annual buyback services?

**Core services can be those provided without a direct charge to schools** eg statutory or grant funded. ELP core funded services in 2021-23 are those agreed to be provided as part of the ELP subscription

Annual buyback are services you purchase from Ealing Council on an annual basis, although some arrangements are for a longer period. The level, cost and length of contract for buyback is stated.

Some services are available on a pay as you go basis (PAYG). PAYG rates may be higher than those for annual contracts.

## 6. How do I know what the cost of a service will be to my school?

All prices and calculations are on the individual service pages and in your school's individual order form. Once you submit your order, a total charge for all annual services ordered will be invoiced to you in the summer term along with your ELP subscription. Other services eg PAYG are invoiced or charged by the specific service direct.

## 7. Where are the terms and conditions of the service?

See the **general terms and conditions** that apply to all services. Some services will have their own terms and conditions located in the service description or in 'Further details' after you log in. You can also contact the service directly.

## 8. Where can I get a paper copy of the brochure and order form?

**You** can download and print out what you need from EGfL. Some services have extra brochures, SLAs and other documents attached that you can download and print out as well.

## 9. Where can I find the services I am committed to?

Services you are committed to have been added to your buy back order form. Please ensure **Required** has been selected against that service. Check your **order history** for details on your committed services.

## 10. Can I submit the order form only online?

Yes, orders can only be submitted online by headteachers and nominated buyers.

## 11. How will I know my order form has been successfully submitted?

Headteachers and nominated buyers will get an automated email from 'services for schools' to confirm their order has been submitted.

## 12. What if I need to change my submitted order form?

Contact us at [servicesforschools@ealing.gov.uk](mailto:servicesforschools@ealing.gov.uk) for advice.

## 13. My headteacher is absent; I need to access the order form?

Contact us at [servicesforschools@ealing.gov.uk](mailto:servicesforschools@ealing.gov.uk) for advice.

## 14. Why can I see the brochure but not the order form?

Everyone can view the brochure. Only the headteacher and a nominated buyer can view the order form and place orders.

## 15. Why have the prices of a service changed?

Please contact the service contact for this information.

## Frequently asked questions

### 16. When will the service I ordered start?

If you purchase a financial year service, it will start from 1 April 2021.

If you purchase an academic year service, it will start from 1 September 2021.

This only applies if you submit your order by the deadline **31 March 2021**.

See individual service information for other arrangements.

### 17. What if I miss the deadline?

We provide the information you need as early as possible and you will know enough about your budget situation to be able to make purchasing decisions in time. It will be difficult for us to organise our resources and provide services if we do not have your decision by **31 March 2021**. We cannot extend that period for the buyback services. Prices and availability are better if you get your order in by the deadline.

The pay as you go services are still available for you to purchase after the deadline **31 March 2021**.

### 18. Why can't I find a service I purchased last year?

For a list of changes to services see **Changes on page 5**.

### 19. Where is last year's services information (2020/21)?

On the current service web page, you will see links to last year's information which will be available until September 2021.

### 20. If I have a complaint about a service who should I contact?

Contact the manager of the service or their team using details listed in service descriptions on EGfL. See the general terms and conditions in this brochure.

### 21. Where are last year's order details (2020/21)?

Headteachers and nominated buyers can log in to the EGfL website and go to the **school order history** tab at [www.egfl.org.uk/order-history](http://www.egfl.org.uk/order-history)

### 22. Where are this year's order details (2021/22)?

Once you submit your order form it can be viewed under the **school order history** tab on EGfL and in the email you get when you submit your order.
