Ealing Grid for Learning (EGfL) - [www.egfl.org.uk](http://www.egfl.org.uk)

EGfL - Premises Logbook - [www.egfl.org.uk/categories/safety/building/logbook.html](http://www.egfl.org.uk/categories/safety/building/logbook.html)

Department for Education – [www.education.gov.uk](http://www.education.gov.uk)  
Formerly the Department for Children, Schools and Families (DCSF)

Teachernet – [www.teachernet.gov.uk](http://www.teachernet.gov.uk)

Caretakers Website – [www.thecaretakers.net](http://www.thecaretakers.net)

A website that is written by and dedicated to caretakers of all forms of establishment. Contains general and specific guidance on caretaking duties in schools.

Communities and Local Government – [www.communities.gov.uk](http://www.communities.gov.uk)

Health and Safety Executive (HSE) – [www.hse.gov.uk](http://www.hse.gov.uk)

Guidance on health & safety, statutory requirements and good practice maintenance regimes. Most documents are available for free download, but some are priced publications. Check the Health & Safety Executive's Prosecutions and Notices Databases to find out whether any proposed contractor has been subjected to previous convictions for breaches of safety legislation, has a case going through the courts, or has received any Improvement or Prohibition Notices.

Check HSE database for enforcement notices at: [www.hse.gov.uk/notices/](http://www.hse.gov.uk/notices/)

Check HSE database for prosecutions and breaches at: [www.hse.gov.uk/prosecutions/](http://www.hse.gov.uk/prosecutions/)

The Royal Society for the Prevention of Accidents (RoSPA) - [www.rospa.com](http://www.rospa.com)

The Gas Safe Register – [www.gassaferegister.co.uk](http://www.gassaferegister.co.uk)

Check if the gas contractor servicing your equipment is registered. Only engineers registered on the Gas Safe Register can work on any gas equipment.

Association for Physical Education (afPE) – [www.afpe.org.uk](http://www.afpe.org.uk)

CLEAPSS - [www.cleapss.org.uk](http://www.cleapss.org.uk)

CLEAPSS is an advisory service providing support in science and technology. Services cover health & safety, risk assessment, sources and use of chemicals, living organisms and equipment. CLEAPSS also provides advice on technicians & their jobs, as well as the design of laboratories and facilities & fittings for D&T and science rooms. They also provide H & S training to support staff working in Science and Technology, and for H & S advice for Radiation Protection Advisor.

Planning Portal - [www.planningportal.gov.uk](http://www.planningportal.gov.uk)

Information about the planning system and building regulations
