

Introducing a new feature - just released on EGfL

School effectiveness team chart, associate and link officer profiles

These documents are now fully integrated with the EGfL online directory and are updated automatically whenever anything changes eg staff join or leave, contact numbers change etc

How to find them

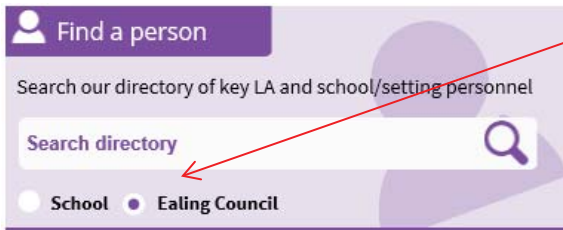

1. Go to the EGfL site:

2. You must be logged in (so 'log out' will show top right)

3. Click into the 'find a person' box on the left of the home screen - make sure the 'Ealing Council' radio button is checked and not the 'School' option

4. You should be able to see the list of downloadable school contact lists on the right side of the screen and below them the school effectiveness team, associate and link officer directories
