

QBEMM0044 – Coronavirus lateral flow device tests endorsement

The following extension forms part and is attached to the Medical Malpractice insured **section of this policy**.

This **policy** shall extend to indemnify the **insured** for **claims** first made against the **insured** arising out of the administration of a Coronavirus Lateral Flow Device tests (LFD test) during the **period of insurance**. This extension is subject to the following conditions:

1. No other insurance or Government indemnity applies in respect of the LFD tests.
2. Appropriate patient consent has been obtained prior to the performance of LFD tests, in accordance with national or provincial guidelines.
3. Each site performing LFD tests has a recognised Quality Lead who has received appropriate training.
4. LFD tests are only administered and analysed by appropriately trained individuals.
5. Procedures are in place, in accordance with manufacturer guidelines, to analyse and interpret the swab results following LFD tests.
6. Appropriate procedures are in place to upload the results obtained following LFD tests into the NHS Test and Trace system and / or to provide the results.

All other terms and conditions of this **policy** remain unchanged.
