

Ealing Learning Partnership

Professional development and training for
primary and special schools

Visit www.ealingcpd.org.uk for the most up to date information

September 2020 – July 2021

Welcome to Ealing Learning Partnership (ELP) professional development and training brochure for 2020-21

No learner left behind - no school left behind

Ealing Learning Partnership (ELP) is a partnership between 88 schools and the council to promote educational excellence and well-being for all learners through collaboration and innovation. ELP is committed to providing excellent services to schools and to supporting continuing development of professional of all school staff and governors. Together the LA, Teaching School Alliances and schools offer a broad programme of quality assured developmental courses, networks, meetings, conferences and other centrally run or school-based CPD opportunities.

Schools can access events and opportunities free of charge, on a pay as you go basis at the published prices or can gain valuable economies by signing up for annual SLAs for some programme areas.

Full and up-to-date details of all events are available 24/7 on Ealing CPD online at: www.ealingcpd.org.uk

There, you can browse, book online or find out how to apply for places. All Ealing schools and many others are registered on the site. Each school has designated CPD leaders registered who can authorise and keep track online of Ealing training their own staff have booked or participated in. A good record for your reference.

The content of this brochure is intended as an overview and is subject to change and additions during the year. **Select areas of interest on your CPD online profile to receive email alerts when new opportunities are published throughout the year.**

Events have been arranged in this brochure according to commissioner/SLA/funding source so that schools can see what is available to you for the different subscriptions and SLAs you may have purchased for 2020-21. **Governors** can attend any events appropriate to their needs at the rates published and will find specific governance related programme in the **CPD SLA section**. Governors from schools with the CPD SLA can attend most CPD SLA events free of charge.

Due to Covid-19, most events will be held online/virtually in the Autumn term to adhere to Government guidance on social distancing measures. This is subject to review pending further advice.

Your confirmation email will confirm arrangements for your event. This will include the specific information on whether the event is due to be held at EEC or virtually via Microsoft Teams/Zoom.
