## SOCIAL WORKERS IN SCHOOLS

*We are here for all students!*

*"I don't have a magic wand, a crystal ball or all the answers.*

*But I do have a heart to care, ears to listen, time to give, ideas to share and an open mind."*

Talk about your thoughts and feelings

By having an informal chat with you when you are ready

With things at home

With things in school

Supporting with things outside of school/home

With understanding friendships

**WE CAN HELP**

*"The young person reports she can talk with the social worker about anything and this includes bullying, family issues, relationships, arguments, friends, anger issues, paranoia, and school stuff"*
