

# School partnerships and enrichment team

Removing barriers, expanding horizons, raising achievement

## Our services

We offer a range of different services that can be tailored to the needs of individual schools

The School Partnerships and Enrichment Team (formerly extended services) has extensive experience of working with school leaders to creatively tackle barriers to learning faced by pupils outside of the classroom. We have a range of specific packages available for schools to purchase:

Packages 2020/21	Price
Bespoke consultancy package	£1877
Curriculum enrichment package	£104
Fundraising and grant writing package	£1877
Engaging parents in early reading and phonics	£1200
Primary careers package	£1200

The above prices are for Ealing Learning Partnership (ELP) members. Non-ELP schools will be charged an additional 10%. The delivery of purchased packages is on academic basis. Details for each package are outlined below.

### Bespoke consultancy package £1877

Four days of bespoke consultancy support delivered in school and tailored to the exact requirements of your school. Areas of work that we are able to cover include:

- ★ Engaging parents in their child's learning and school life
- ★ Enrichment activities for pupils and families
- ★ Linking learning to future education and career choices
- ★ Bespoke project development to tackle barriers to learning

A tailored programme of support will be designed following an initial planning meeting with a senior leader at the school.

### Curriculum enrichment package £104

This package aims to support schools to harness the potential of free and low-cost opportunities, both in and out of school, to support the delivery of a wide-ranging curriculum through enrichment opportunities that extend beyond the academic, vocational or technical.

Schools will be able to use the resources to broaden knowledge and awareness of opportunities that nurture and develop pupils' talents and interests.

The package includes:

- ★ Termly Horizon bulletin: a roundup of free and low-cost opportunities for school resources, training, school visits and places of interest with free entry.
- ★ Let's Get Out and About school holiday newsletter that includes free and low-cost activities to encourage families to visit places of interest and enjoy the wide range of activities on offer in libraries and museums, outdoor places to explore, rainy day activities for in the home
- ★ Exclusive invitations to events and local opportunities as identified by the team and their networks.

**“The Horizons Bulletin is a fantastic digest of the free local and London-wide events that enrich the Cultural Capital opportunities for our children at Mayfield. I look forward to reading every edition!”**

### **Bespoke fundraising and grant writing £1877**

If you are low on time and want hands on support to develop and prioritise projects, identify funders and make grant applications on your behalf. This package includes four days of bid writing support.

The School Partnerships Team has had significant success in securing money for Ealing schools – over a £1m since 2011! An Ealing school who has bought this support from the team for the last four years has secured over £80k in external funding.

**100% of schools who purchased a package from the team in 2019/20 rated the service as good or outstanding**

### **Engaging parents in early reading and phonics £1200**

This package is for schools who want to improve the engagement of parents in supporting early reading and phonics at home, with a specific focus on targeted groups of parents whose children need extra support. The package includes:

- ★ Review school’s current universal offer to parents/carers, how it supports reading at home and gives parents the skills to foster a love of reading, reinforce phonics knowledge and practice language comprehension

- ★ Work with school leaders to suggest improvements linked clearly to school reading priorities
- ★ Design and delivery of 3 reading cafe sessions for targeted groups of parents based on the needs of the school, e.g. supporting phonics at home, developing inference skills, reading for pleasure etc
- ★ All resources and presentations provided to enable sessions to be repeated in future years by school staff.

### **Primary careers package £1200**

Employer Engagement at primary level gives all pupils the opportunity to meet positive role-models who can inspire and spark curiosity through the delivery of age appropriate careers activities.

The package includes 3 days support, tailored to your school’s requirements. School leaders can choose from the menu of services below to build a tailored programme for their pupils, parents and staff:

- ★ Planning and delivery of a school employer engagement event in school with a broad range of volunteers (3 days for KS1 or KS2 or 4 days for whole school with interactive classroom workshops)
- ★ Support for staff and governors with integrating cultural capital links and opportunities throughout the curriculum
- ★ Opportunities for parents to engage in the world of work programme with pupils
- ★ Access to training opportunities for teaching staff in specific subject areas e.g. Science, Technology, Engineering, Arts and Maths (STEAM) to introduce engaging and exciting techniques to inspire children
- ★ Activities, events and resources to challenge gender stereotypes about future careers
- ★ Planning and delivery of activities or events to help pupils develop employability and life skills to help prepare them for the next stage of their education
- ★ Organising trips to an employer, a college or a university for pupils and possibly parents
- ★ Identifying and applying for funding to support raising aspirations themed events in school eg STEM event.
