No learner left behind - no school left behind

The purpose of the ASPIRE Network

- Increase pupils awareness of careers and work opportunities
- Increase understanding of the link between primary education, qualifications, career paths & work
- Reduce gender specific career/role stereotypes
- Increase pupils awareness of career paths linked to **Science, Technology, Engineering ,Arts & Maths**

Resources & Organisations -STEM

PRIMARY SCIENCE TEACHING TRUST

- Starters for Science ,16 x 5 minute videos created to support teachers to get started with practical science enquiry
- Minimal resources required ,can be used in school or at home
- This means that teachers can do science enquiry with a class and any children who are at home can do the same lesson

NEON Brilliant Inspiration

<https://neonfutures.org.uk/>

- Tech Tuesdays ,7 – 16
- 40 minute sessions
- Free but not everything is
- Show young people how technology is changing the world of work and how their hobbies and passions could lead them into a career in technology in the future
- Each lesson is approximately 30 minutes long followed by an optional creative challenge for the students to complete.
- There are currently 13 Tech Tuesday lessons to choose from with a new lesson added on the second Tuesday of every month.

LONDON CAREERS FESTIVAL

28 July-June 2021 www.londoncareersfestival.org.uk

- Connecting pupils to the world of work at primary level
- Explore careers events and resources
- Festival is free ,register in advance for a place

Years 3-6, Join London Mithraeum Bloomberg SPACE for an action-packed workshop where children will learn about the history of our unique site, discover the wide range of museum careers and take part in exciting, fun challenges in the classroom. Led by an experienced educator the session will encourage pupils to practice their critical and deep thinking skills as well as questioning skills in a fun and interactive way.

LAGER CAN LITTER PICKING IN EALING

Facebook (LAGER Can), Twitter (@CanLager) and our Instagram @lagercanealing (run by DofE volunteers)

- Successful volunteer led litter picking group, nominated for a Queen's Award for Voluntary Service
- In all areas of the borough now, very keen to engage with schools and the community to promote the joys of litter picking - and a clean, green environment
- Recently taken out insurance policy that protects all our volunteers, including children provided they are accompanied by parents / carers / teachers
- Marking Earth Day (Thursday 22nd April) with the LAGER Can Recycling Challenge, details to be announced this week
