

Comes to Northolt!

Who are Children's University?

- ❖ Children's University works with schools to develop a love of learning in children
- ❖ We encourage and celebrate participation in extra-curricular activities in and outside of your school
- ❖ We are working with organisations and businesses to develop lots of opportunities for you over the forthcoming year
- ❖ These opportunities will help you
 - to grow in confidence and self-belief
 - to enjoy some new experiences in new places
 - to develop a broader range of skills
 - to feel empowered to make positive choices about your future
 - to see learning that is both fun and life long
 - to feel celebrated for your commitment to learning by your family, school and community

Who are Children's University?

- ❖ We know that children benefit so much from being in school and we want to make this even more exciting for you
- ❖ In the UK there are over **80** Children's Universities operating and it is active in over **1000 schools** reaching over **112,000 children** each year
- ❖ **The best bit about Children's University is that it has arrived in Northolt!**
- ❖ My role, as the Ealing Children's University Manager, is to help make arrangements to support you to join in with the Children's University programme

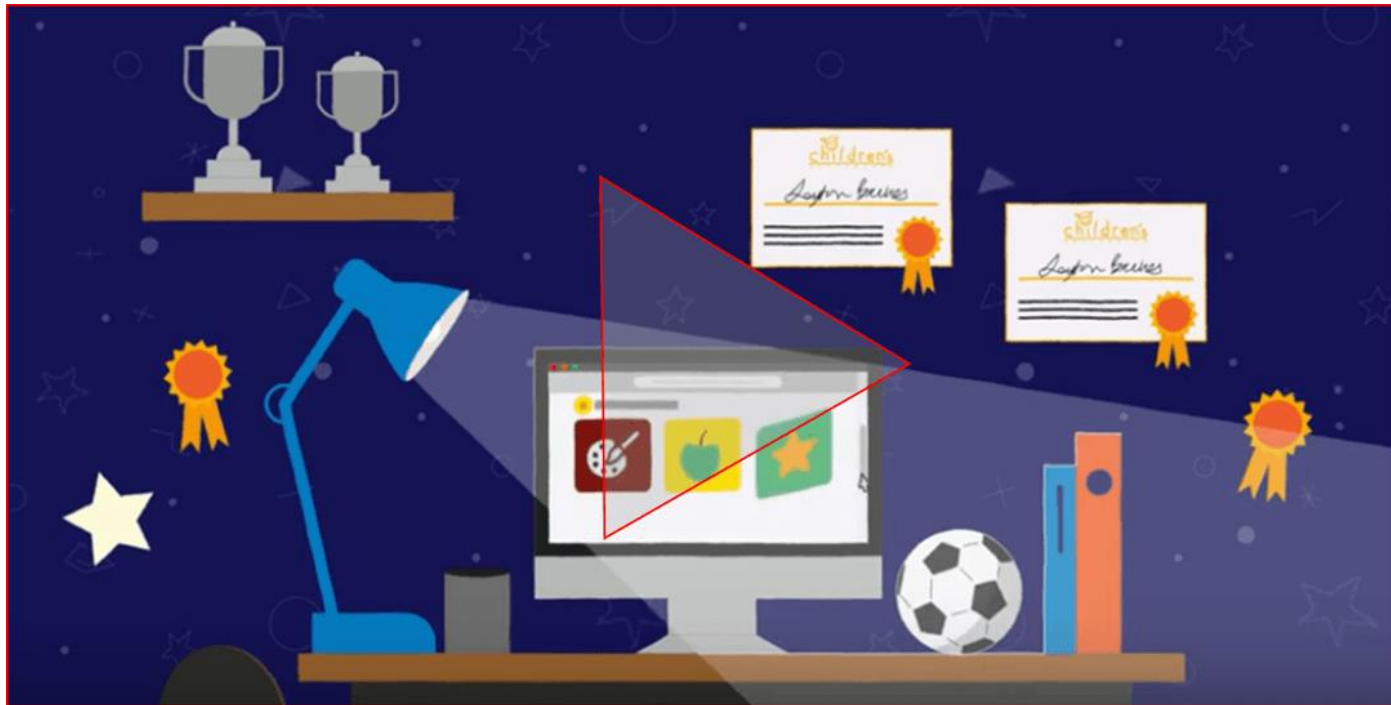

- ❖ You will be issued with your own passport which is a gift from us
- ❖ We want you to look after it and use it to record the CU activities you participate in (in school, outside of school and online)
- ❖ We celebrate achievement from the first 30 hours right the way up to 1,000 hours of Children's University learning
- ❖ Once you have collected lots of credits we will invite you to a graduation ceremony

Children's University

For a two minute introduction to Children's University, watch this video.

- ❖ On behalf of your school, we have been working with some local organisations who are excited about Children's University and want to get involved
- ❖ These opportunities are slightly limited at the moment but there will be lots more coming on board
- ❖ I will let you know about these by sending you a newsletter every month
- ❖ We have an online platform which will help to increase the number of activities you can get involved in
- ❖ So remember....you can collect stamps for **in-school opportunities** alongside local and national **activities** at over 3000 **museums** and **public learning destinations**, as well as **online activities**.
