Ealing Learning Partnership (ELP) 2019 programme of high quality professional development and training for all governors and school staff is available on the continuing professional development (CPD) website www.ealingcpd.org.uk.

It is an excellent programme which has been developed in collaboration with schools, governors and training school alliances across the borough. It offers a fantastic opportunity for schools to enable significant school improvement as well as individual personal and professional development.

Much of the training advertised is free to attend for governors of schools which have brought into our CPD / training service level agreement (SLA). Other opportunities are available at very competitive pay as you go prices. All training unless advised otherwise takes place at the Ealing Education Centre. See the following pages for more information.

If you already have an account set up on www.ealingcpd.org.uk, you can log into the 'GOVERNOR' channel on the site with your username and password. All courses which are aimed at governors and clerks can be booked direct here.

If you do not have an account please log on to www.ealingcpd.org.uk, click on the 'governors' channel. Use the 'new user' option half way down on the left-hand side to create your account. You can then request a place on any course you wish to attend. Your request to attend an event will be approved by the CPD leader of your school. In due course you will receive a confirmation email from Ealing to confirm you have secured a place or have been added to a reserve list.

Attached is a step-by-step guide on how to create an account.

If you need any support in using the system, please contact our dedicated email address eec@ealing.gov.uk.

Please promote this programme to your colleagues – school staff can also view the opportunities open to them in the 'schools' channel on the site.
