

Most Able, Gifted and Talented Cross-Phase Conference

5th November 2015

CHILDREN'S & ADULTS' SERVICES

Why this conference?

'If we are to succeed as an economy and society, we have to make more of our most able young people. We need them to become the political, commercial and professional leaders of tomorrow.'

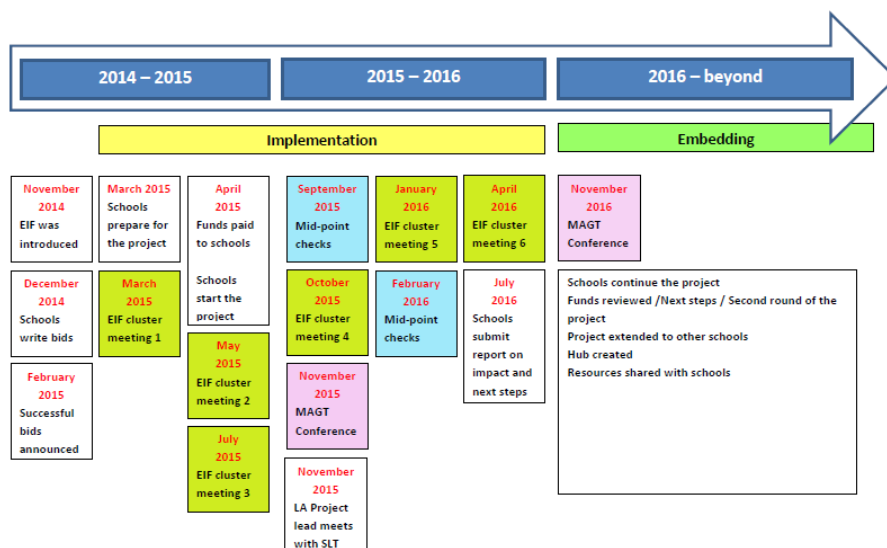

Ofsted

Ealing Innovation Fund

- **Introduced in December 2014**
- **Focus:** Maximising progress and outcomes for more able pupils through curriculum innovation, improving pedagogy and practice, and subject knowledge
- **8 successful partnerships involving 22 schools**
- **Some great work being carried out so far**
