Role of the Lead School

This school is ultimately responsible for the strategic outcomes of the Alliance partnership, setting appropriate targets and formulating the Alliance Action Plan.

Ealing Primary
TEACHING SCHOOL ALLIANCE

Role of the Alliance schools

- Alliance schools will have Deputy Leads to ensure robust quality assurance and succession planning.
- It will be the responsibility of the Deputy Leads to provide termly reports to the Lead school .
- They will communicate the work of the team across the Alliance
- They will report on activity and join in decision making at the Strategic Partnership board.
- They will have signed the partnership agreement.

We will build our teaching school vision around 6 core strands

- ITT including school direct placements including NQT development and support
- CPD-leading the professional learning and development of middle & senior leaders, teachers, subject specific and support staff across the alliance and beyond
- Leadership development and succession planning
- School to school support and SLEs
- Research and Development
- Recruitment and deployment of SLEs, LLEs and NLEs
