

LEGO®-based therapy Virtual Workshop for Parents

**Run by Ealing Anchor Foundation
and Ealing Speech and Language Therapy Service**

Come to our virtual workshop on:
Monday 21st February
at 10-11:30am

You will find out:

- ✓ What LEGO®-based therapy is
- ✓ How it helps children develop their social communication skills
- ✓ How it can be adapted for children at different stages of development

To book a **FREE** place, please call 07914 311298

Our training is free and accessible via zoom, you will receive details of how to log on to the zoom meeting when you book your place.
