Dear Parents and Carers,

RE: Progression to level 2 careers event - 19 June 2024, 1.30pm – 5.30pm

Ealing Learning Partnership would like to invite families and young people in Year 10 to our annual summer event. In response to feedback from the agencies we work with this year the focus is to support young people within Ealing to be more aware of pathways into level 2 and below qualifications.

At present there is little provision within our schools for post 16 qualifications at Level 2 and below. This event will bring together providers who can offer more courses and opportunities for young people and inform them for next steps.

The event will take place at Trailfinders Rugby Club and will provide a range of opportunities for parents, carers, and young people to explore different Post 16 options. There will be advice and guidance available from a range of external providers to support Year 10/11 students who may not be able to access level 3 qualifications. This includes local colleges and providers.

Parents/carers are invited to bring their child to the event and should register for a place by using the link below.
