

Introducing Ourselves

JTA 1: Hello, my name is (all JTA's say your names) and we are your JTAs, or Junior Travel Ambassadors.

JTA 2: Our job is to tell you about why walking, scooting and cycling to school are important, as well as about having fun and keeping safe when you're doing so!

JTA 3: We all have JTA badges so we can be recognised and we have regular meetings to plan sustainable travel activities in school.

JTA 4: We have a notice board (say where it is) where we will put up posters and information for you.

JTA 5: Every month we will be reading out bulletins in assembly with important information for you.

JTA 6: We will also be running competitions and (say what else you will be doing)

ALL: We're looking forward to being your Champions for safe and active school travel!

Thank you for listening
