

SUGAR SMART SCHOOL INITIATIVE

As part of SUGAR SMART Ealing, we are asking schools to help children consume less sugar and drink more water. Read on for more information.

How to achieve Sugar Smart School status?

To become a SUGAR SMART school, schools need to complete a checklist* that shows they are working towards the three pledges below:

1

Become a water only school (except for plain milk)

2

Reduce sugar in snacks and food eaten at school

3

Raise awareness about sugar with children & adults

What do SUGAR SMART schools receive?

5

Five Healthy Schools Points. See the Healthy Schools Points tab on EGFL for more information.

Pre-filled SUGAR SMART templates to help you achieve your HSL Silver and Gold awards.

One school will receive £500 to use towards sustaining their SUGAR SMART initiatives. The most innovative and comprehensive application will receive this funding in July 2024.

A SUGAR SMART certificate.
