

Summer Holiday Playschemes

Published July 2020

The best way to find out about activities for children and young people over the summer holidays is to visit our website www.ealingfamiliesdirectory.org.uk and then get in touch with the activity provider directly or go on their website to find out their latest news and service offer during COVID-19.

And activity provision including short breaks information for children and young people with Special Educational Needs and / or a disability can be found on www.ealinglocaloffer.org.uk

Another source of help and advice is **Ealing's Family Information Service** available to answer any enquiries you may have and offer support and guidance, call **020 8825 5588** or email children@ealing.gov.uk (Mon-Fri, 9am to 5pm).
