

Free expert advice and solutions for your sensory space.

Expert designed resources to meet a wide range of SEND.

TTS is home to an extensive range of sensory equipment for your environment.

Create a stimulating, engaging and interactive learning space with our products.

Get in touch today to find out more about our multi-sensory environments!

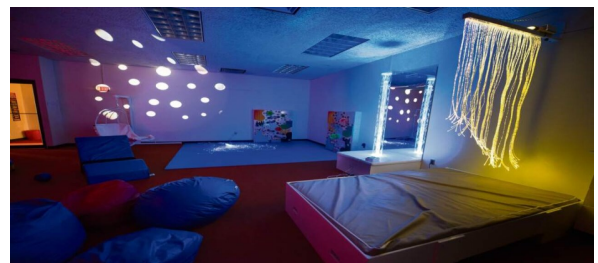

At TTS our team of experts can support with guidance and suggestions to ensure resources provide an instant multi sensory solution to stimulate and regulate children; providing a safe place for them to play and gain proprioceptive and vestibular sensory input.

In addition to instant solutions we also offer a free, no-obligation space design service

We work with leading suppliers to provide expert advice, 3D visualisation and competitive quotes to design and install your project.

No matter how big or small your project we have the solution to suit you.
