

# ELP - the next steps

# Welcome to the future!

- ▶ “the best way to predict the future is to create it.”

- ▶ Abraham Lincoln

# Background

- ▶ Formed due to government changes
- ▶ Gives us an opportunity to solve a few issues
- ▶ Partnership with Ealing on areas that are still statutory
- ▶ Recruitment and retention of teachers and leader
- ▶ Financial shortages

# Ealing Learning Partnership - core values/ principles

- ▶ Partnership with Ealing.
- ▶ Partnership between Schools.
- ▶ “No Learner Left behind : No school left behind”
- ▶ Ethos - High challenge: Low threat

# In 5 years time

- ▶ An Ealing learning partnership where a community of schools take **shared responsibility** for their own development and success and for those of their colleagues using the skills in the community, and pedagogical research to drive improvement.
- ▶ Trust is high in supportive yet highly challenging partnerships
- ▶ High quality professional dialogue drives improvement
- ▶ All schools are included and no learner or school is left behind.
- ▶ We are financially sustainable

# How are we going to deliver this?

- ▶ ELP board and subcommittees will work with schools and the LA to secure high standards of education for all pupils in all schools.
- ▶ Cluster of schools will work together to drive improvement through training, Peer Review and the formation of learning communities who will explore and debate the best ways of improving the quality of education for our pupils.
- ▶ Learning communities will be set up and our Teaching Schools, or other schools can take a lead role in developing practice within specialist areas.
