

## 30hr Extended Entitlement Locality Based Implementation Briefings

Dear Colleagues,

We are holding 30hr Extended Entitlement Implementation briefings, to bring everyone up to date with developments, processes, payments and documentation in preparation for September.

In response to requests from earlier briefings we invite schools, private nurseries & childminders to attend according to the broad geographical areas in which they are located.

- Acton & Hanger Lane
- Central Ealing
- Greenford Northolt & Perivale
- Southall

We appreciate that it may be difficult for childminders to attend during the day, therefore we have organised an evening event on 24<sup>th</sup> May for childminders from all areas.

We hope that by organising the sessions in a geographical basis, this will assist in increasing your broader understanding of who is working in your area, and who may be potential partners in the future.

Please book your place on Ealing CPD online.

The meetings will be held at the Ealing Education Centre on the following dates and times:

<b>Wednesday 24<sup>th</sup> May</b> <b>9.00am-12.30pm</b> <b>Room 18</b> Providers from Acton & Hanger Lane Area	<b>Wednesday 24<sup>th</sup> May</b> <b>1.00pm-4.30pm</b> <b>Room 18</b> Providers from Central Ealing Area	<b>Wednesday 24<sup>th</sup> May</b> <b>7.00pm-9.00pm</b> <b>Room 18</b> Childminders from all areas
